Doha Airports

MATAR is preparing both airports, DOH and DIA, to handle the business as usual, as well as the FIFA World Cup QATAR 2022™ traffic, with the objective of:

- Ensuring scheduled airlines operations at DOH.
- Accommodating requests for additional operations made by existing DOH scheduled airlines primarily at DOH.
- Accommodating charter flights of other airlines at DIA.

MATAR will implement the WASG Guidelines for a Level 3 Airports as means to support the event and provide access to operators.

- From **30 October 2022** to **25 December 2022** both **DIA and DOH** will be Level 3 Airports.
- All flights except State, Military and SAR flights, will need a confirmed slot in order to operate either at DOH or DIA.
- Local Rules will be implemented for the same period.

- A Maximum of **six** simultaneous arrivals.

AIRPORTS of QATAR and SLOT COORDINATION DURING FIFA WORLD CUP 2022™

The Passengers Overflow Area aims at:

- **Controlling** the congestion in the HIA Main Terminal check-in hall.
- **Providing** a waiting location for passengers arriving to HIA more than four (4) hours prior to their flight's departure time.

Matar Event Management Centre will be:

- In charge of all airport **activities and decisions** making related to the FIFA 2022 World Cup event.
- **Integrating** with National Command and Tournament Transportation Control Centers.

HIA & DIA landside plans aim at:

- **Describing** the flows of the different airport users through the available facilities.
- **Managing** the expected demand to avoid the congestion within the airports' landside areas and road network.
