

DOH Runway Capacity Reduction for S26 Scheduling Season between April 13th and June 13th, 2026

To all operators of DOH/Hamad International Airport

Please be aware that due to necessary runway works, DOH airport will operate with a single runway between April 13th and June 13th, 2026. As a result, the runway capacity will be reduced, and schedule adjustments will be required by all operators to ensure that demand remains within the available capacity declared for this period.

The key details are as follows:

- **Single Runway Operations:** 13th April to 13th June 2026.
- **Runway Coordination Parameters:**
 - R60 Arrival Movements: 36
 - R60 Departures Movements: 36
 - R60 Total Movements: 36
 - R10 Total Movements: 7
- **Slot Coordination:** Revised slot allocation will be managed in line with the Worldwide Airport Slot Guidelines (WASG) and Qatar Civil Aviation Authority (QCAA) directives.

Operators should expect schedule adjustments and are requested to contact Qatar Slot Coordination before the end of the initial submission for S26.
